Fellowships:

- Fellowship as a mentorship; if you believe you can take on multiple fellows then go for it but if you know that you can't, just pick one. Don't just have one to have one.

Before the lecture there will be a meet and greet between students and professors; a way to understand the faculty on a one-on-one basis. Randy Poush

Abby: Peace in the Parks Reclaiming Isla Vista. It's a festival to spark activism and enthusiasm in Isla Vista; going back to our roots of how everything came to be in Isla Vista.
